THE FORTIETH YEAR

of Carleton College will open on Wednesday, September 13, with an address by Governor John A. Johnson in Willis Hall Chapel at 11:30 a. m. Friends are invited to be present.

Registration

for the first semester will take place in Scoville Library on Tuesday, Sept. 12, 10 a. m. to 12:30 p. m., and from 2 to 4:30 p. m., also on Wednesday from 8:30 to 11 a. m. and from 2 to 5 p. m. For the accommodation of those who are obliged to arrive on the afternoon trains on Wednesday the Committee will be in session from 7 to 8 p. m.

Application for Rooms

in the College buildings are now being received for the college year 1906-07. All places for this semester in Gridley Hall and the three cottages for women have been engaged for some time, and there is a waiting list. The deposit fee is five dollars.

The Price of Table Board

at Gridley Hall will, by vote of the Trustees, be increased from $2.50 to $2.75 per week, beginning with the second semester, January 23, 1906.

Examinations

for making up deficiencies and for entrance to the College will be held on Monday, Sept. 18.

The Revised Faculty List

appears in this issue. Professor Goodhue will spend a year in the field in the financial interests of the College; Dr. Stratton will become acting professor of Greek; Miss Dean is transferred to the German department; Miss Murison will teach Freshman elocution in addition to physical training; Miss Clarke will teach the comparative literature and a new course in English numbered five in addition to the history of art; Dr. Luther A. Weigle of Yale University will become acting professor of philosophy; Dr. Towne, acting professor of history and economics for two years, becomes full professor; Dr. Exner, acting professor of chemistry and physics for two years, becomes professor of chemistry, the physics being separated and under the charge of Mr. Sieg as instructor.

Carleton Lectures 1905-06

Oct. 20.—An Evening Among Ancient Persian Ruins (stereopticon). Miss Mary A. Clarke.

Nov. 24.—An Evening Among Rocky Mountain Glaciers (stereopticon). Prof. Lucian W. Chaney.

Jan. 12.—An Evening with Great Violinists (stereopticon and violin). Miss Grace Crawford.

Feb. 9.—An Evening with the Wits and Humorists. Prof. George Huntington.

March 9.—An Evening in the Holy Land (stereopticon). President Sallmon.

Course ticket 50 cents. Single admission 25 cents.

for biology, chemistry and physics is under construction on a site in the rear of the old Observatory. The contract was awarded on August 18, and ground was broken on the 23rd. The contractors, H. N. Leighton & Co., have agreed to complete the foundation by Sept. 15, and the building by May 1, 1906. The plans drawn by Architects Bertrand & Chamberlin are for a building two stories high with basement. The cost will be about $50,000, in addition to which Mr. Laird has given another $50,000 for endowment. The construction will be of reinforced concrete faced with Menominee sand brick and trimmed with Bedford stone. The building will be fire-proof.

The basement will contain the physical and organic laboratories, battery and assay rooms, storage, stock and janitor's rooms, and heating plant. The latter is so arranged that the boiler can be taken out and removed to a central heating plant when that is provided.

The front entrance to the building will be by a flight of stone steps surmounted by columns of reinforced concrete. On the right of the vestibule will be the public and private offices of the President, and on the left the office of the Treasurer. The biological and chemical laboratories will occupy the west and east ends of the first floor, and and on this floor there will be also laboratories for analytical chemistry, physiology and embryology.

The biological and chemical lecture rooms will be above their respective laboratories on the second floor, where also there will be laboratories for physics, physical chemistry and photometry, a lecture room for physics, and a reading room. There are stock and preparation rooms and lifts for the laboratories. Coat rooms for men and women are on the first floor and toilets in the basement. In the attic a plant room is arranged under the skylight. All of the materials used will be first class. There will be a stone balcony over the entrance, the floor of the vestibule will be mosaic and the wood-work will be of birch and maple.

The building committee in charge of construction, appointed by the Trustees, is John C. Nutting, chairman, William H. Sallmon, secretary, Miron W. Skinner, treasurer, William H. Laird and Lowell E. Jepson.

COLLEGE WILL OPEN

on Wednesday, Sept. 12, at 9 a. m., with an address in Willis Hall Chapel by the Honorable Moses E. Clapp, United States Senator. Friends are invited to be present.

Registration

for the first semester will take place in Scoville Library on Tuesday, Sept. 11, 10 a. m. to 12:30 p. m., and from 2 to 4:30 p. m.; also on Wednesday, Sept. 12, during the same hours.

Registration for courses in music will take place in Music Hall.

Examinations

for making up deficiencies and for entrance to the College will be held Monday, Sept. 17.

The Carnegie Foundation

for the advancement of teaching has placed Carleton on the list of "Accepted Institutions." Prof. Huntington has accepted the benefit of the fund and has retired from teaching. He has accepted the President's invitation to retain his connection with the College by serving as chairman of the Faculty Committee on Religious Culture and a member of the Committee on Library.

The College Library

and its interests have so expanded that it is no longer practicable for one professor using part of his time to manage them. A committee of the faculty will now have charge of purchase and supervision and Miss Eleanor J. Gladstone, formerly assistant librarian, will become librarian.

The Revised Faculty List

appears in this issue. The new members are Carleton V. Kent, M. S., (Univ. of Iowa) instructor in physics; Frederick J. Fairbank, M. A., (Illinois College) acting professor of Latin; Winogene Grabill, M. S., (Drury) instructor in art history and comparative literature; Rev. Fred B. Hill, B. D., formerly assistant pastor Central Congregational Church, Providence, R. I., instructor in Biblical literature, (absent on leave for further preparation 1906-07). Professor Goodhue, who spent a year in the field, resumes the Greek chair and Professor Wilson becomes dean of the College.

CARLETON LECTURES, 1906-07.

Carleton aims to carry out the "extension idea" in education by offering advantages to the community. Members of the faculty deliver each year a series of lectures without any remuneration. The price of admission which is merely nominal covers the cost of printing, lantern, etc., and leaves a balance which is held as a reserve fund which may be drawn upon in order to secure the services of some lecturer of repute. In addition to the four numbers offered by members of the faculty during the Fall and Winter, President Northrop of the State University is to give his celebrated lecture on "Macbeth." All citizens are urged to avail themselves of this educational opportunity by purchasing tickets for the course.

Every student should secure a course ticket and attend the lectures.

Oct. 26.—An Evening with "Macbeth," President Cyrus Northrop.

Nov. 23.—An Evening with Great Philosophers, Prof. Luther A. Weigle.

Dec. 14.—An Evening with the New Chemistry, Prof. Franz F. Exner.

Jan. 18.—An Evening with German Lyric Poetry, Prof. Isabella Watson.

Feb. 15.—An Evening with a Famous Church Father, President Sallmon.

Course tickets, 50 cents; single admission, 25 cents.

ANNOUNCEMENTS.

HON. J. W. OLSEN,

Superintendent of Public Instruction, will deliver an address at the opening Chapel exercises in Willis Hall on Wednesday, September 11, at 11 a. m. Friends are invited to be present.

REGISTRATION

for the first semester will take place in Scoville Library on Tuesday, Sept. 10, from 10 a. m. to 12:30 p. m. and from 2 to 4:30 p. m. Also on Wednesday, Sept. 11, from 8:30 to 10:30 a. m. and from 2 to 5 p. m. A registration fee of fifty cents will be charged those enrolling after Wednesday at 5 p. m.

EXAMINATIONS

for making up deficiencies and for entrance to the College will be held on Monday, Sept. 16.

FACULTY CHANGES

are noted in the list on the opposite page. Miss Evans retires from teaching, but retains the deanship of women for the year. Miss Emerson, a graduate of Wellesley, takes the work in English. Prof. Goodhue retires on the Carnegie pension. The present illness of the one chosen as his successor will make it necessary to find another instructor. Mr. Neil S. Dungay of the University of Minnesota takes the work in Biology laid down by Prof. Chaney who has resigned and received a year's furlough. Rev. Fred B. Hill, appointed a year ago as Instructor in Biblical Literature and absent on leave during 1906-07, will begin his work in that department. Miss Grabill resigned her position during the summer, and a successor in Art History and Comparative Literature has not yet been appointed. Mrs. Albert Griffin, for some years superintendent of Nourse Cottage, who has removed to Chicago, will be missed.

CARLETON LECTURES, 1907-08.

A series of five popular lectures, given chiefly by members of the faculty, have steadily increased in popularity during the past three years. Every student should regard the course as contributing to a liberal education and should purchase tickets for the following series to be given during the fall and winter:

Oct. 25.—An Evening with the Crowd. Professor Graham Taylor of Chicago.

Nov. 22.—An Evening with the Japanese. (Stereopticon). Rev. Fred B. Hill.

Dec. 13.—An Evening with Wordsworth in the English Lakes. Miss Mary Alice Emerson.

Jan. 17.—An Evening with the Faculty of Music. Professor and Mrs. Gray and Miss Crawford.

Feb. 14.—An Evening with the Excavators in Bible Lands. (Stereopticon). President Sallmon.

Course ticket, 50 cents. Single admission, 25 cents.

A FOOTBALL COACH

in the person of Mr. Myron S. Curtis, Brown University, '07, has been secured by the management of the Carleton football team. Mr. Curtis has played half-back on the Brown team for four years and has been considered to be one of the most reliable players. Besides being a splendid back, he is a thorough student of the game and the head coach at Brown speaks in the highest terms of his prowess. Mr. Curtis is a man of splendid character and is popular among all the college men.

THE YOUNG MEN'S CHRISTIAN ASSOCIATION

will inaugurate some new methods in order to make their meetings more interesting and instructive. One of the plans contemplates addresses by members of the faculty and invited speakers from other cities on alternate Wednesday evenings. The President has accepted an invitation to address the first of these meetings.

IMPROVEMENTS

in the grounds and buildings have been progressing during the summer under the executive committee of the Board of Trustees.

The interior of the chapel has been painted and decorated as provided by the class of '07. Cement walks have been laid to the entrance of Gridley Hall and Music Hall, and the ordinary varnishing, painting and furniture repairing and cleaning of the buildings has been completed.

CHAIRMEN OF FACULTY COMMITTEES, 1907-08.

1. *Changes in Courses of Study, etc.*—Professor Payne.
2. *Records, Deficiencies, Grades, etc.*—Professor Towne.
3. *Investigation and Discipline.*—Professor Wilson.
4. *Conference with Students.*—Professor Weigle.

ANNOUNCEMENTS

Rev. Alexander Milne

minister of the Pilgrim Congregational Church of Duluth, and recently elected a Trustee of Carleton, will deliver the address at the opening Chapel exercises in Willis Hall, on Wednesday, September 9th, at nine a. m. Friends of the college are invited to be present.

Registration

for the first semester will take place in Scoville Library on Tuesday, September 8th, from 10: a. m. to 12:30 p. m. and from 2:30 to 4:30 p. m. Also on Wednesday, September 9th from 10 a. m. to 12 m., and from 2 p. m. to 5 p. m. A registration fee of fifty cents will be charged those who enroll after Wednesday at 5 p. m.

Examinations

for making up deficiencies and for entrance to the College will be held on Monday, September 14th.

Faculty Changes

Miss Evans and Professor Chaney retire on the Carnegie Foundation. Miss Emerson becomes Head of the Department of English and Dean of Women.

Miss Dorothy Firman, B. A., Mount Holyoke, M. A., Wellesley, takes the position of Assistant in the Department of English. Miss Firman received her Master's degree from Wellesley this year and her thesis was of such high order that it is to be published by the college. She has travelled considerably in Europe and the United States and Canada.

Mr. James McCandless, B. A. University of Michigan, comes as instructor in the department of Rhetoric and Oratory, and takes charge of the Physical training for the men. Mr. McCandless was elected to Phi Beta Kappa, and to the Public Speaking Honor Society of Sigma Rho. He represented the University on the state oratorical contest and was a member of one of its intercollegiate debate teams.

Miss Margaret Holman, B. A., Smith, becomes instructor in Greek and History of Art. Miss Holman, after graduation, was official tutor in Greek at Smith for one year, and then became Head of the Greek Department of Pennsylvania College for Women, which position she held for three years. In 1906-7 she studied at the University of Berlin, and comes to Carleton from Tudor Hall, Indianapolis.

School of Music

There will be a change in the faculty of the School of Music, caused by the resignation of Miss Grace Crawford, who for five years was instructor in Pianoforte, Violin and History of Music. Miss Jessie M. Law will be instructor in Violin. Miss Law is a former student of Carleton College and the School of Music, and for the past three years has been studying at the Royal Conservatory of Music in Leipzig.

Miss Ruth E. Buswell will be instructor of Pianoforte and History of Music. Miss Buswell is a graduate of Carleton and the School of Music.

The Choral Union will hold its rehearsals weekly, on Tuesday evenings, at 7:20 o'clock, beginning September 15th. The oratorio selected for performance in December, is by an American writer, "Hora Novissima," by H. W. Parker. This will be the first presentation of this work in the Northwest.

On Thursday evening, Septmber 10th, Prof. Gray will give an Organ recital in the Congregational church. He will be assisted by Miss Law on the Violin.

Athletic Interests

Finances.—A new plan for the financing of college athletic sports becomes operative this year. Instead of charging a fee of $2.00 per semester for gymnasium, and the collecting of voluntary subscriptions for the maintenance of college sports, this year a fee of $3.00 per semester will be charged in term bills to every college student. This fee will entitle the student to gymnasium privileges, and entrance to all foot-ball, base-ball and track contests, use of tennis courts and skating rink, and entrance to all intercollegiate debates. It is expected that under this system, increased interest and enthusiasm for all college sports will result.

Foot-Ball.—Mr. Myron S. Curtis, Brown '07, returns for another year as head coach of the foot-ball team. With the assistance of Mr. Kent it is expected that another successful season will be carried through.

Field and Track.—Mr. Z. O. Fiscus, B. A. Gettysburg College, Pennsylvania, comes to Carleton to study for his Master's Degree, and will coach basket-ball and track and assist in coaching the base-ball team. Mr. Fiscus has had five years of practical experience in track work, and his coming will help to stimulate interest in that department of college sport.

Electric Lights In Gridley Hall

The young women of Gridley Hall will be pleased to learn that kerosene lamps are to be banished. The trustees have had the entire building wired and have installed lights in every room. Rochester lamps and oil stoves will no longer be needed or allowed.

Expenses

Room rent at Gridley Hall will be $1.50 per week. This will cover the cost of electric lights as well as the regular items of equipments. See notice above.

A fee of $3.00 per semester will be charged each college student to cover all gymnasium and athletic fees. This will be added to term bills and will not be subject to excuse. See preceding page.

Improvements

in the grounds and buildings have been carried on during the summer under the supervision of the executive committee of the Board of Trustees. Gridley Hall has been wired for electric lights throughout. The furnishing of the parlors has been completed and the apartments of the Dean of Women at Gridley have been redecorated and furnished. New cement walks have been laid from the entrance to the campus on College Avenue to Williams Hall. The shower baths in Williams Hall have been repaired and the entire system renovated.
